

Get the most from your ATARI® Computer with ATARI EXPLORER.

ATARI doesn't just make great computers—we publish the very best magazine for our users. Straight from the source. With access to the wizards who design our products. By the best authors and columnists in the industry. Each issue of *Atari Explorer* brings you:

- **NEWS** on products, services, and trends—with the accent on how they affect you.
- **REVIEWS** of software, hardware, and books. You'll know which products are the best and exactly what they can—and can't—do.
- **TUTORIALS** on all aspects of computing—for beginners and experts.
- **COLUMNS** on technology, user groups, telecomputing, business applications, home computing, education, music, and more.
- **THE INSIDE STORY** on what's happening at the new Atari Corporation.
- **PROGRAMS** to type in and use on your computer or download from your information service.
- **UPDATES** to manuals and product announcements. No one else is more timely or more accurate.
- **APPLICATIONS** you might never have thought of to help you make the most of your computer system.

Not just a magazine about machines, *Atari Explorer* is for *people who use computers*, and we make sure that every issue supplies plenty of practical material.

Subscribe now! Don't miss a single issue of the only official ATARI magazine. An 18-issue subscription saves you 25% off the newsstand price.
